

DUMPSTER PERMIT APPLICATION (PERMANENT/TEMPORARY)

The permit application requires the requesting contractor or property owner to identify their name and address and the address of where the dumpster will be located. In accordance to [527 CMR 34.00 \(PDF 28KB\)](#), containers shall not be placed at any location as to become an obstacle to the egress of persons from a building or to vehicle traffic. Any dumpster 6 yards or more needs a permit. A permit is not required for dumpsters that will be delivered and removed from a location on the same business day. Permit is valid for one (1) year from date of issue; permanent dumpster permits are renewable annually.

Procedure:

1. Dumpster contractor or customer applies for permit (print an application attached).
2. Permit Fee - \$25.00 per container and \$10.00 for each additional container on a particular site. Check or money order payable to: City of Worcester.

Dumpster location on private property to be inspected by the Worcester Fire Department.
