

PROPANE STORAGE PERMIT APPLICATION

Application for a permit to install LP-Gas shall be made in the name of the owner or occupant of the premises by the person, firm or corporation who will make the installation or connection to permanent fixtures. The Worcester Fire Department may limit the quantity of LP-Gas that may be stored under a permit, such as during special events, where unusual conditions exist. Additional requirements may be included that are within the intent and purpose of [527 CMR 6.00](#) (PDF 67KB).

Procedures:

Temporary (Special Events)

1. Applicant applies for permit at least 3 business days prior to event.
2. Permit Fee - \$25.00 check or money order payable to: City of Worcester.
3. Inspection by The Worcester Fire Department within one week prior to event.

Permit is valid for 30 days, a fire detail may be required and certain restrictions may apply.

Permanent

1. Applicant applies for permit (print an application attached).
2. Permit Fee - \$50.00 check or money order payable to: City of Worcester.
3. Inspection by The Worcester Fire Department within 7-10 days.

Permit is valid for 1 year for non-residential, permit is renewable annually and certain restrictions may apply.

Application for Propane Storage

In accordance with 527 CMR 69 as well as Board of Fire Prevention & Departmental regulations.
Commercial or industrial indoor tanks must be steel & caged.
