

Private Way Temporary Repairs Petition

*Chap. 302 of the Acts of 1984, as amended by c. 166 of the Acts of 1996 SECTION 2. At any time within five years after a vote by the city council of the city of Worcester, pursuant to a **petition by at least two-thirds of the abutters thereon**, that conditions exist on any private way appearing on the official map of the city of Worcester which require temporary repairs by public necessity, the commissioner of public works of said city shall cause the temporary repairs to be made. Said temporary repairs shall include the grading and filling of holes or depressions with such materials as the commissioner shall deem suitable to make the street passable, but in no event shall such temporary repairs include extensive construction, reconstruction, resurfacing or the installation of drainage facilities. Said temporary repairs may also include the filling of potholes in such private ways as may have a paved roadway surface. Betterment charges shall not be assessed. Said city shall have no liability in tort on account of the performance of any such repairs. In no event shall the cost of such repairs exceed the sum of six dollars per linear foot as delineated by the commissioner of public works of said city.*
