Request the administration provide a report with the updates for improvement for the Roosevelt School transportation and parking issues including time frame for work to be completed in the spring of 2024.

c&p 3-4.1 Nathan Cummings

(May 4, 2023)

Public petition referred from the Worcester City Council on behalf of Nathan Cummings:

That the Grafton St entrance of Roosevelt Elementary School be amended to allow full-size school buses to enter from Grafton St northbound without mounting the curb. Currently the granite divider between the entrance lanes is too long, preventing buses from making the sharp left turn into the school.
