No.	DATE	REVISION	BY

NOTE:

THE PURPOSE OF THIS PLAN IS TO CHANGE THE CONNECTION OF WHIPPOORWILL DRIVE TO AN EMERGENCY ACCESS. THIS PROPOSAL WILL CONSIST OF A 20' WIDE PAVED CONNECTION WITH A SIREN ACTIVATED GATE TO ALLOW EMERGENCY VEHICLES ACCESS WHEN NEEDED. NARROWING THE PAVED WIDTH TO 20-FEET FROM THE APPROVED 28-FEET WILL ALSO HAVE LESS IMPACT ON THE WETLANDS AT THE CROSSING.

10/23/24
Bruce E. Wilson, Jr. - PLS No. 36870
